VISION

To make the institute a hub of excellence in the academic and co-curricular sphere, thereby institutionalizing a culture of openness, transparency and meritocracy in the campus.

MISSION

To strive to achieve the highest standards of excellence in higher education thereby empowering the young minds to live as committed and good human beings.

To facilitate the campus with modern techniques commensurate with the technology savvy global world.

To nurture dynamic citizens who are socially and ethically responsible and are creative contributors to the society.

Principal Desk

It is with great pride and pleasure that I present this edition of our institution's newsletter, which beautifully reflects the energy, creativity, and dedication of our students and staff. This publication is not merely a collection of events and achievements, but a reflection of the dedication, creativity, and perseverance that define our academic community.

Education is a continuous journey of growth and discovery. In today's rapidly changing world, we must nurture not only intellectual excellence but also values such as integrity, empathy, and resilience. Our institution remains committed to fostering an environment where students are encouraged to think critically, act responsibly, and contribute meaningfully to society.

A school is not just a place of learning, but a space where young minds are shaped, values are nurtured, and dreams begin to take form. At our institution, we strive to create an environment that encourages curiosity, discipline, and compassion alongside academic excellence.

The pages of this newsletter capture the spirit of our campus—highlighting academic accomplishments, co-curricular activities, and the diverse talents of our students and staff. Each achievement, big or small, is a step toward building confident and capable individuals ready to face future challenges.

This newsletter captures many memorable moments—from academic achievements to co-curricular activities—highlighting the all-round development of our students. It is inspiring to witness their enthusiasm and commitment in every sphere.

I extend my heartfelt appreciation to the editorial team, contributors, and all those who have worked diligently to bring out this issue. Your efforts truly showcase the collective strength and vision of our institution.

Let us continue to strive for excellence and uphold the values that guide us. I hope this newsletter inspires each one of you to aim higher and dream bigger.

Wishing you all an enriching and successful journey.

Prof Archana Kaul
Principal

Editorial Note from the Convenor

It gives me immense pleasure to present this edition of our newsletter, a reflection of the vibrant ideas, dedicated efforts, and collective spirit that define our community.

In a world that is constantly evolving, the importance of thoughtful engagement, critical reflection, and meaningful dialogue cannot be overstated. This newsletter stands as a testament to our shared commitment to learning, creativity, and collaboration. Each contribution featured here represents not just individual excellence, but also the strength of our collective vision.

Over the past months, we have witnessed inspiring participation across various activities and initiatives. From academic pursuits to creative expressions, our members have continued to demonstrate resilience, innovation, and a passion for growth. It is heartening to see how these efforts come together in this publication, offering insights, perspectives, and inspiration to all readers.

I would like to extend my sincere appreciation to all contributors, editors, and team members who have worked tirelessly to bring this issue to fruition. Your dedication and enthusiasm are the driving forces behind the success of this endeavour.

As we move forward, let us continue to engage, explore, and excel together. May this newsletter not only inform but also inspire us to strive for greater heights.
